

§ 1022.16

- (3) A list of alternatives considered;
- (4) A statement indicating whether the action conforms to applicable State or local floodplain protection standards; and
- (5) A brief description of steps to be taken to minimize potential harm to or within the floodplain.

For floodplain actions which require preparation of an EA or EIS, the statement of findings may be incorporated into the FONSI or final EIS, as appropriate, or issued separately. Where no EA or EIS is required, DOE shall publish the statement of findings in the FEDERAL REGISTER and distribute copies to Federal, State, and local agencies and others who submitted comments as a result of the Public Notice. For floodplain actions subject to the Office of Management and Budget (OMB) Circular A-95, DOE shall send the statement of findings to the State and areawide A-95 Clearinghouses for the geographic area affected.

§ 1022.16 Requests for authorizations or appropriations.

DOE shall indicate in any requests for new authorizations or appropriations transmitted to OMB, if a proposed action will be located in a floodplain or wetlands, whether the proposed action is in accord with the requirements of E.O. 11990 E.O. 11988, and these regulations.

§ 1022.17 Follow-up.

For those DOE actions taken in floodplain/wetlands, DOE shall verify that the implementation of the selected alternative, particularly with regard to any adopted mitigating measures, is proceeding as described in the floodplain/wetlands assessment and statement of findings.

§ 1022.18 Timing of floodplain/wetlands actions.

(a) Prior to implementing a proposed floodplain action, DOE shall endeavor to allow at least 15 days of public review after publication of the statement of findings.

(b) With respect to wetlands actions (not located in a floodplain), DOE shall take no action prior to 15 days after publication of the Public Notice in the FEDERAL REGISTER.

10 CFR Ch. X (1-1-01 Edition)

(c) Where emergency circumstances, statutory deadlines, of overriding considerations of program or project expense or effectiveness exist, the minimum time periods may be waived.

§ 1022.19 Selection of a lead agency and consultation among participating agencies.

When DOE and one or more other Federal agencies are directly involved in a floodplain/wetlands action, DOE shall consult with such other agencies to determine if a floodplain/wetlands assessment is required, to identify the appropriate lead or joint agency responsibilities, to identify the applicable regulations, and to establish procedures for interagency coordination during the environmental review process.

§ 1022.20 Public inquiries.

Inquiries regarding DOE's floodplain/wetlands activities may be directed to the Assistant Secretary for Environment, Department of Energy, Washington, DC 20545.

§ 1022.21 Updating regulations.

DOE shall periodically review these regulations, evaluate their effectiveness, and make appropriate revisions.

OVERVIEW: ORGANIZATION, FUNCTIONS AND AUTHORITIES

SOURCE: 62 FR 24806, May 7, 1997, unless otherwise noted.

§ 1023.1 Introductory material on the Board and its functions.

(a) The Energy Board of Contract Appeals (“EBCA” or “Board”) functions as a separate quasi-judicial entity within the Department of Energy (DOE). The Secretary has delegated to the Board’s Chair the appropriate authorities necessary for the Board to maintain its separate operations and decisional independence.

(b) The Board’s primary function is to hear and decide appeals from final decisions of DOE contracting officers on claims pursuant to the Contract Disputes Act of 1978 (CDA), 41 U.S.C. 601 *et seq.* The Board’s Rules of Practice for these appeals are set forth in subpart A of this part. Rules relating to recovery of attorney fees and other ex-

penses under the Equal Access to Justice Act are set forth in subpart C of this part.

(c) In addition to its functions under the CDA, the Secretary in Delegation Order 0204–162 has authorized the Board to:

(1) Adjudicate appeals from agency contracting officers’ decisions not taken pursuant to the CDA (non-CDA disputes) under the Rules of Practice set forth in subpart A of this part;

(2) Perform other quasi-judicial functions that are consistent with the Board members’ duties under the CDA as directed by the Secretary;

(3) Serve as the Energy Financial Assistance Appeals Board to hear and decide certain appeals by the Department’s financial assistance recipients as provided in 10 CFR 600.22, under Rules of Procedure set forth in 10 CFR part 1024;

(4) Serve as the Energy Invention Licensing Appeals Board to hear and decide appeals from license terminations, denials of license applications and petitions by third-parties for license terminations, as provided in 10 CFR part 781, under Rules of Practice set forth in subpart A of this part, modified by the Board as determined to be necessary and appropriate with advance notice to the parties; and

(5) Serve as the Energy Patent Compensation Board to hear and decide, as provided in 10 CFR part 780, certain applications and petitions filed under authority provided by the Atomic Energy Act of 1954, ch. 1073, 68 Stat. 919 (1954), and the Invention Secrecy Act, 35 U.S.C. 181–188, including:

(i) Whether a patent is affected with the public interest;

(ii) Whether a license to a patent affected by the public interest should be granted and equitable terms therefor; and

(iii) Whether there should be allotment of royalties, award, or compensation to a party contributing to the making of certain categories of inventions or discoveries, or an owner of a patent within certain categories, under Rules of Practice set forth in subpart A of this part, modified by the Board as determined to be necessary and appropriate, with advance notice to the parties.

§ 1023.2

(d) The Board provides alternative disputes resolution neutral services and facilities, as agreed between the parties and the Board, for:

(1) Disputes related to the Department's prime contracts and to financial assistance awards made by the Department.

(2) Disputes related to contracts between the Department's cost-reimbursement contractors, including Management and Operating Contractors (M&Os) and Environmental Remediation Contractors (ERMCs), and their subcontractors. Additionally, with the consent of both the responsible prime DOE cost-reimbursement contractor and the cognizant DOE Contracting Officer, the Board may provide neutral services and facilities for disputes under second tier subcontracts where the costs of litigating the dispute might be ultimately charged to the DOE as allowable costs through the prime contract.

(3) Other matters involving DOE procurement and financial assistance, as appropriate.

§ 1023.2 Organization and location of the Board.

(a) *Location of the Board.* (1) The Board's offices are located at, and hand and commercial parcel deliveries should be made to: Board of Contract Appeals, U.S. Department of Energy, 950 L'Enfant Plaza, SW., Suite 810, Washington, DC 20024.

(2) The Board's mailing address is as follows. The entire nine digit ZIP code should be used to avoid delay: Board of Contract Appeals, U.S. Department of Energy, HG-50, Building 950, Washington, DC 20585-0116.

(3) The Board's telephone numbers are (202) 426-9316 (voice) and (202) 426-0215 (facsimile).

(b) *Organization of the Board.* As required by the CDA, the Board consists of a Chair, a Vice Chair, and at least one other member. Members are designated Administrative Judges. The Chair is designated Chief Administrative Judge and the Vice Chair, Deputy Chief Administrative Judge.

10 CFR Ch. X (1-1-01 Edition)

§ 1023.3 Principles of general applicability.

(a) *Adjudicatory functions.* The following principles shall apply to all adjudicatory activities whether pursuant to the authority of the CDA, authority delegated under this part, or authority of other laws, rules, or directives.

(1) The Board shall hear and decide each case independently, fairly, and impartially.

(2) Decisions shall be based exclusively upon the record established in each case. Written or oral communication with the Board by or for one party is not permitted without participation or notice to other parties. Except as provided by law, no person or agency, directly or indirectly involved in a matter before the Board, may submit off the record to the Board or the Board's staff any evidence, explanation, analysis, or advice (whether written or oral) regarding any matter at issue in an appeal, nor shall any member of the Board or of the Board's staff accept or consider ex parte communications from any person. This provision does not apply to consultation among Board members or staff or to other persons acting under authority expressly granted by the Board with notice to parties. Nor does it apply to communications concerning the Board's administrative functions or procedures, including ADR.

(3) Decisions of the Board shall be final agency decisions and shall not be subject to administrative appeal or administrative review.

(b) *Alternative Dispute Resolution (ADR) Functions.* (1) Board judges and personnel shall perform ADR related functions impartially, with procedural fairness, and with integrity and diligence.

(2) Ex parte communications with Board staff and judges limited to the nature, procedures, and availability of ADR through the Board are permitted and encouraged. Once parties have agreed to engage in ADR and have entered into an ADR agreement accepted by the Board, ex parte communications by Board neutrals, support staff and parties shall be as specified by any applicable agreements or protocols and as

Department of Energy

§ 1023.5

is consistent with law, integrity, and fairness.

(3) Board-supplied neutrals and support personnel shall keep ADR matters confidential and comply with any confidentiality requirements of ADR agreements accepted by the Board. Board personnel may not disclose any confidential information unless permitted by the parties or required to do so by law.

§ 1023.4 Authorities.

(a) *Contract Disputes Act Authorities.* The CDA imposes upon the Board the duty, and grants it the powers necessary, to hear and decide, or to otherwise resolve through agreed procedures, appeals from decisions made by agency contracting officers on contractor claims relating to contracts entered into by the DOE or relating to contracts of another agency, as provided in Section 8(d) of the CDA, 41 U.S.C. 607(d). The Board may issue rules of practice or procedure for proceedings pursuant to the CDA. The CDA also imposes upon the Board the duty, and grants it powers necessary, to act upon petitions for orders directing contracting officers to issue decisions on claims relating to such contracts, 41 U.S.C. 605(c)(4). The Board may apply through the Attorney General to an appropriate United States District Court for an order requiring a person, who has failed to obey a subpoena issued by the Board, to produce evidence or to give testimony, or both, 41 U.S.C. 610.

(b) *General Powers and Authorities.* The Board's general powers include, but are not limited to, the powers to:

(1) Manage its cases and docket; issue procedural orders; conduct conferences and hearings; administer oaths; authorize and manage discovery, including depositions and the production of documents or other evidence; take official notice of facts within general knowledge; call witnesses on its own motion; engage experts; dismiss actions with or without prejudice; decide all questions of fact or law raised in an action; and make and publish rules of practice and procedure;

(2) Exercise, in proceedings to which it applies, all powers granted to arbitrators by the Federal Arbitration Act,

9 U.S.C. 1-14, including the power to issue summonses.

(c) In addition to its authorities under the CDA, the Board has been delegated by Delegation Order 0204-162 issued by the Secretary of Energy, the following authorities:

(1) Issue rules, including rules of procedure, not inconsistent with this section and departmental regulations;

(2) Issue subpoenas under the authority of § 161.c of the Atomic Energy Act of 1954, 42 U.S.C. 2201(c), as applicable;

(3) Such other authorities as the Secretary may delegate.

§ 1023.5 Duties and responsibilities of the Chair.

The Chair shall be responsible for the following:

(a) The proper administration of the Board;

(b) Assignment and reassignment of cases, including alternative dispute resolution (ADR) proceedings, to administrative judges, hearing officers, and decision panels;

(c) Monitoring the progress of individual cases to promote their timely resolution;

(d) Appointment and supervision of a Recorder;

(e) Arranging for the services of masters, mediators, and other neutrals;

(f) Issuing delegations of Board authority to individual administrative judges, panels of judges, commissioners, masters, and hearing officers within such limits, if any, which a majority of the members of the Board shall establish;

(g) Designating an acting chair during the absence of both the Chair and the Vice Chair;

(h) Designating a member of another Federal board of contract appeals to serve as the third member of a decision panel if the Board is reduced to less than three members because of vacant positions, protracted absences, disabilities or disqualifications;

(i) Authorizing and approving ADR arrangements for Board cases; obtaining non-Board personnel to serve as settlement judges, third-party neutrals, masters and similar capacities; authorizing the use of Board-provided personnel and facilities in ADR capacities, for matters before the

§ 1023.6

Board, and for other matters when requested by officials of the DOE; and entering into arrangements with other Federal administrative forums for the provision of personnel to serve in ADR capacities on a reciprocal basis;

(j) Recommending to the Secretary the selection of qualified and eligible members. New members shall, upon selection, be appointed to serve as provided in the CDA;

(k) Determining whether member duties are consistent with the CDA; and

(l) Reporting Board activities to the Secretary not less often than biennially.

§ 1023.6 Duties and responsibilities of Board members and staff.

(a) As is consistent with the Board's functions, Board members and staff shall perform their duties with the highest integrity and consistent with the principles set forth in § 1023.3.

(b) Members of the Board and Board attorneys may serve as commissioners, magistrates, masters, hearing officers, arbitrators, mediators, and neutrals and in other similar capacities.

(c) Except as may be ordered by a court of competent jurisdiction, members of the Board and its staff are permanently barred from ex parte disclosure of information concerning any Board deliberations.

§ 1023.7 Board decisions; assignment of judges.

(a) In each case, the Chair shall assign an administrative judge as the Presiding Administrative Judge to hear a case and develop the record upon which the decision will be made. A Presiding Judge has authority to act for the Board in all non-dispositive matters, except as otherwise provided in this Part. This subparagraph shall not preclude the Presiding Administrative Judge from taking dispositive actions as provided in this Part or by agreement of the parties. Other persons acting as commissioners, magistrates, masters, or hearing officers shall have such powers as the Board shall delegate.

(b) Except as provided by law, rule, or agreement of the parties, contract appeals and other cases are assigned to a deciding panel established by the

10 CFR Ch. X (1–1–01 Edition)

Board Chair consisting of two or more administrative judges.

(c) The concurring votes of a majority of a deciding panel shall be sufficient to decide an appeal. All members assigned to a panel shall vote unless unavailable. The Chair will assign an additional member if necessary to resolve tie votes.

§ 1023.8 Alternative dispute resolution (ADR).

(a) *Statement of Policy.* It is the policy of the DOE and of the Board to facilitate consensual resolution of disputes and to employ ADR in all of the Board's functions when agreed to by the parties. ADR is a core judicial function performed by the Board and its judges.

(b) *ADR for Docketed Cases.* Pursuant to the agreement of the parties, the Board, in an exercise of discretion, may approve either the use of Board-annexed ADR (ADR which is conducted under Board auspices and pursuant to Board order) or the suspension of the Board's procedural schedule to permit the parties to engage in ADR outside of the Board's purview. While any form of ADR may be employed, the forms of ADR commonly employed using Board judges as neutrals are: case evaluation by a settlement judge (with or without mediation by the judge); arbitration; mini-trial; summary (time and procedurally limited) trial with one-judge; summary binding (non-appealable) bench decision; and fact-finding.

(c) *ADR for Non-Docketed Disputes.* As a general matter the earlier a dispute is identified and resolved, the less the financial and other costs incurred by the parties. When a contract is not yet complete there may be opportunities to eliminate tensions through ADR and to confine and resolve problems in a way that the remaining performance is eased and improved. For these reasons, the Board is available to provide a full range of ADR services and facilities before, as well as after, a case is filed with the Board. A contracting officer's decision is not a prerequisite for the Board to provide ADR services and such services may be furnished whenever they are warranted by the overall best interests of the parties. The forms

Department of Energy

§ 1023.120

of ADR most suitable for mid-performance disputes are often the non-dispositive forms such as mediation, facilitation and fact-finding, mini-trials, or non-binding arbitration, although binding arbitration is also available.

(d) *Availability of Information on ADR.* Parties are encouraged to consult with the Board regarding the Board's ADR services at the earliest possible time. A handbook describing Board ADR is available from the Board upon request.

§ 1023.9 General guidelines.

(a) The principles of this Overview shall apply to all Board functions unless a specific provision of the relevant rules of practice applies. It is, however, impractical to articulate a rule to fit every circumstance. Accordingly, this part, and the other Board Rules referenced in it, will be interpreted and applied consistent with the Board's responsibility to provide just, expeditious, and inexpensive resolution of cases before it. When Board rules of procedure do not cover a specific situation, a party may contend that the Board should apply pertinent provisions from the Federal Rules of Civil Procedure. However, while the Board may refer to the Federal Rules of Civil Procedure for guidance, such Rules are not binding on the Board absent a ruling or order to the contrary.

(b) The Board is responsible to the parties, the public, and the Secretary for the expeditious resolution of cases before it. Accordingly, subject to the objection of a party, the procedures and time limitations set forth in rules of procedure may be modified, consistent with law and fairness. Presiding judges and hearing officers may issue prehearing orders varying procedures and time limitations if they determine that purposes of the CDA or the interests of justice would be advanced thereby and provided both parties consent. Parties should not consume an entire period authorized for an action if the action can be sooner completed. Informal communication between parties is encouraged to reduce time periods whenever possible.

(c) The Board shall conduct proceedings in compliance with the security regulations and requirements of

the Department or other agency involved.

PRELIMINARY PROCEDURES

Rule 1 Appeals, How Taken. (a) Notice of an appeal shall be in writing and mailed or otherwise furnished to the Board within 90 days from the date of receipt of a contracting officer's decision. A copy of the notice shall be furnished at the same time to the contracting officer from whose decision the appeal is taken.

(b) Where the contractor has submitted a claim of \$100,000 or less to the contracting officer and has requested a written decision within 60 days from receipt of the request, and where the contracting officer has not done so, the contractor may file a notice of appeal as provided in subparagraph (a) above, citing the failure of the contracting officer to issue a decision.

(c) Where the contractor has submitted a claim in excess of \$100,000 to the contracting officer and the contracting officer has failed to issue a decision within a reasonable time, the contractor may file a notice of appeal as provided in subparagraph (a) above, citing the failure to issue a decision.

(d) Upon docketing of appeals filed pursuant to (b) or (c) of this Rule, the Board, at its option, may stay further proceedings pending issuance of a final decision by the contracting officer within the time fixed by the Board, or order the appeal to proceed without the contracting officer's decision.

Rule 2 Notice of Appeal, Contents. A notice of appeal must indicate that an appeal is being taken and must identify the contract (by number), and the department, adminis-

10 CFR Ch. X (1-1-01 Edition)

tration, agency or bureau involved in the dispute, the decision from which the appeal is taken, and the amount in dispute, if known. The notice of appeal should be signed by the appellant (the contractor making the appeal), or by the appellant's duly authorized representative or attorney. The complaint referred to in Rule 7 may be filed with the notice of appeal, or the appellant may designate the notice of appeal as a complaint, if it otherwise fulfills the requirements of a complaint.

Rule 3 Docketing of Appeals. When a notice of appeal in any form has been received by the Board, it shall be docketed promptly. Notice of docketing shall be mailed promptly to all parties (with a copy of these rules to appellant).

Rule 4 Contracting Officer Appeal File. (a) Composition: Within 30 days after receipt of notice that an appeal has been docketed, the contracting officer shall assemble and transmit to the Board one copy of the appeal file with an additional copy each to appellant (except that items 1 and 2, below, need not be retransmitted to the appellant) and to attorney for respondent. The appeal file shall consist of all documents pertinent to the appeal, including:

(1) The contracting officer's decision and findings of fact from which the appeal is taken;

(2) The contract, including pertinent specifications, modifications, plans, and drawings;

(3) All correspondence between the parties pertinent to the appeal, including the letters of claim in response to which the decision was issued;

(4) Transcripts of any testimony taken during the course of proceedings, and affidavits or statements of any witnesses on the matter in dispute made prior to the filing of the notice of appeal with the Board; and

(5) Any additional information considered pertinent.

(b) Organization: Documents in the appeal file may be originals, legible facsimiles, or authenticated copies. They shall be arranged in chronological order, where practicable, and indexed to identify readily the contents of the file. The contracting officer's final decision and the contract shall be conveniently placed in the file for ready reference.

(c) Supplements: Within 30 days after receipt of a copy of the appeal file assembled by the contracting officer, the appellant may supplement the file by transmitting to the Board any additional documents which it considers pertinent to the appeal and shall furnish two copies of such documents to attorney for respondent.

(d) Burdensome documents. The Board may waive the requirement of furnishing to the other party copies of bulky, lengthy, or out-of-size documents in the appeal file when a party has shown that doing so would impose an undue burden. At the time a party files

with the Board a document as to which such a waiver has been granted, the other party shall be notified that the document or a copy is available for inspection at the offices of the Board or of the party filing the document.

(e) *Status of Documents:* Documents in the appeal file or supplements thereto shall become part of the historical record but shall not be included in the record upon which the Board's decision will be rendered unless each individual document has been offered and admitted into evidence.

Rule 5 *Motions.* (a) Any timely motion may be considered by the Board. Motions shall be in writing (unless made during a conference or a hearing), shall indicate the relief or order sought, and shall state with particularity the grounds therefore. Those motions which would dispose of a case shall be filed promptly and shall be supported by a brief. The Board may, on its own motion initiate any motion by notice to the parties.

(b) Parties may respond to a dispositive motion within 20 days of receipt, or as otherwise ordered by the Board. Answering material to all other motions may be filed within 10 days after receipt. Replies to responses ordinarily will not be allowed.

(c) Board rules relating to pleadings, service and number of copies shall apply to all motions. In its discretion, the Board may permit a hearing on a motion, and may require presentation of briefs, or it may defer a decision pending hearing on both the motion and the merits.

Rule 6 *Appellants election of procedures.* (a) The election to use Small Claims (Expedited) (Rule 13) or Accelerated (Rule 14) procedures is available only to appellant. The election shall be filed with the Board in writing no later than 30 days after receipt of notice that the appeal has been docketed, unless otherwise allowed by the Board.

(b) Where the amount in dispute is \$100,000 or less, appellant may elect to use the Accelerated procedures. Where the amount is \$50,000 or less, appellant may elect to use the Small Claims (Expedited) or the Accelerated procedures. Any question regarding the amount in dispute shall be determined by the Board.

Rule 7 *Pleadings.* (a) *Complaint.* Within 30 days after receipt of notice that the appeal has been docketed, the appellant shall file with the Board an original and two copies of a complaint setting forth simple, concise and direct statements of each of its claims. Appellant shall also set forth the basis, with appropriate reference to contract provisions, of each claim and the dollar amount claimed, to the extent known. This pleading shall fulfill the generally recognized requirements of a complaint, although no particular form is required. A copy of the complaint shall be served upon the attorney for the respondent or, if the identity of the latter is

not known, upon the General Counsel, Department of Energy, Forrestal Building, Washington, D.C. 20585. If the complaint is not filed within 30 days and in the opinion of the Board the issues before the Board are sufficiently defined, appellant's claim and Notice of Appeal may be deemed to set forth its complaint and the respondent shall be so notified.

(b) *Answer.* Within 30 days after receipt of complaint, or a Rule 7(a) notice from the Board, the respondent shall file with the Board an original and two copies of an Answer, setting forth simple, concise and direct statements of respondent's defense to each claim asserted by appellant. This pleading shall fulfill the generally recognized requirements of an Answer, and shall set forth any affirmative defenses or counter-claims as appropriate. Should the answer not be filed within 30 days, the Board may, in its discretion, enter a general denial on behalf of the respondent and the parties shall be so notified.

Rule 8 *Amendments of Pleadings or Record.* (a) The Board upon its own initiative or upon application by a party may order a party to make a more definite statement of the complaint or answer, or to reply to an answer. The application for such an order suspends the time for responsive pleadings. The Board may, in its discretion, and within the proper scope of the appeal, permit either party to amend its pleadings upon conditions fair to both parties.

(b) When issues not raised by the pleadings are tried by express or implied consent of the parties, or by permission of the Board, they shall be treated in all respects as if they had been raised in the pleadings. In such instances, motions to amend the pleadings to conform to the proof may be entered, but are not required. Similarly, if evidence is objected to at a hearing on the ground that it is not relevant to an issue raised by the pleadings, it may be admitted but the objecting party may be granted a continuance if necessary to enable it to meet such evidence.

Rule 9 *Hearing Election.* Except as may be required under Rules 13 or 14, each party shall advise the Board following service upon appellant of respondent's Answer, or a Rule 7(b) Notice from the Board, whether it desires a hearing as prescribed in Rules 20 through 23.

Rule 10 *Submission of Appeal without a Hearing.* Either party may elect to waive a hearing and to submit its case upon the record as settled pursuant to Rule 15. Waiver by one party shall not deprive the other party of an opportunity for a hearing. Submission of a case without hearing does not relieve the parties from the necessity of proving the facts supporting their allegations or defenses. Affidavits, depositions, admissions, answers to interrogatories, and stipulations may be employed to supplement

other documentary evidence in the Board record. The Board may permit such submission to be supplemented by oral argument and by briefs.

Rule 11 *Prehearing Briefs.* The Board may, in its discretion, require the parties to submit prehearing briefs in any case or motion. If the Board does not require briefs, either party may, upon timely notice to the other party, furnish a prehearing brief to the Board. In any case where a prehearing brief is submitted, it shall be furnished so as to be received by the Board at least 15 days prior to the date set for hearing, and a copy shall simultaneously be furnished to the other party.

Rule 12 *Prehearing Conference.* (a) Whether the case is to be submitted under Rule 10, or heard pursuant to Rules 20 through 23, the Board may, upon its own initiative or upon the application of either party, arrange a telephone conference or call upon the parties to appear before an administrative judge for a conference to consider:

- (1) Simplification, clarification, or severing of the issues;
- (2) The possibility of obtaining stipulations, admissions, agreements and rulings on documents, understandings on matters already of record, or similar agreements that will avoid unnecessary proof;
- (3) Agreements and rulings to facilitate discovery;
- (4) Limitation of the number of expert witnesses, or avoidance with similar cumulative evidence;
- (5) The possibility for settlement of any or all of the issues in dispute; and
- (6) Such other matters as may aid in the disposition of the appeal including the filing of proposed Findings of Fact and Conclusions of Law, briefs, and other such papers.

(b) Any conference results not reflected in a transcript shall be reduced to writing by the Administrative Judge and the writing shall thereafter constitute part of the evidentiary record.

Rule 13 *Optional Small Claims (Expedited) Procedure.* (a) the Small Claims (Expedited) procedure for disputes involving \$50,000, or less, provides for simplified rules of procedure to facilitate the decision of an appeal, whenever possible, within 120 days after the Board receives written notice of the election.

(b) Promptly upon receipt of an appellant's election of the Small Claims (Expedited) procedure in accordance with Rule 6, the assigned Administrative Judge will arrange an informal meeting or a telephone conference with both parties to:

- (1) Identify and simplify the issues in dispute;
- (2) Establish a simplified procedure appropriate to the particular appeal;
- (3) Determine whether a hearing is desired, and, if so, fix a time and place;

(4) Establish a schedule for the expedited resolution of the appeal; and

(5) Assure that procedures have been instituted for informal discussions on the possibility of settlement of any or all of the disputes in question.

(c) Failure to request an oral hearing within 15 days of receipt of notice of the Small Claims election shall be deemed a waiver and an election to submit the case on the record under Rule 10.

(d) The subpoena power set forth in Rule 18 is available for use under the Small Claims (Expedited) procedure.

(e) The filing of pleadings, motions, discovery proceedings or prehearing procedures will be permitted only to the extent consistent with the requirement of conducting the hearing at the scheduled time and place or, if no hearing is scheduled, of closing the record at an early time so as to permit a decision of the appeal within the target limit of 120 days. The Board, in its discretion, may impose shortened time periods for any actions required or permitted under these rules, necessary to enable the Board to decide the appeal within the target date allowing whatever time, up to 30 days, that it considers necessary for the preparation of the decision after closing the record and the filing of briefs, if any.

(f) Decisions in appeals considered under the Small Claims (Expedited) procedure will be rendered by a single Administrative Judge. If there is a hearing, the presiding Administrative Judge may, exercising discretion, hear closing oral arguments of the parties and then render an oral decision on the record. Whenever such an oral decision is rendered, the Board subsequently will furnish the parties with a written transcript of the decision for record and payment purposes and to establish the date for commencement of the time period for filing a motion for reconsideration under Rule 27.

(g) Decisions of the Board under the Small Claims (Expedited) procedure shall have no value as precedent for future cases and, in the absence of fraud, cannot be appealed.

Rule 14 *Optional Accelerated Procedure.* (a) This option makes available an Accelerated procedure, for disputes involving \$100,000 or less, whereby the appeal is resolved, whenever possible, within 180 days from board notice of the election.

(b) Promptly upon receipt of appellant's election of the Accelerated procedure in accordance with Rule 6, the assigned Administrative Judge will arrange an informal meeting or a telephone conference with both parties to:

- (1) Identify and simplify the issues in dispute;
- (2) Establish a simplified procedure appropriate to the particular appeal;
- (3) Determine whether a hearing is desired and, if so, fix a time and place;

Department of Energy

§ 1023.120

(4) Establish a schedule for the accelerated resolution of the appeal; and

(5) Assure that procedures have been instituted for informal discussions on the possibility of settlement of any or all of the disputes in question.

(c) Failure by either party to request an oral hearing within 15 days of receipt of notice of the election under Rule 6 shall be deemed a waiver and an election to submit on the record under Rule 10.

(d) The subpoena power set forth in Rule 18 is available for use under the Accelerated procedure.

(e) The filing of pleadings, motions, discovery proceedings or prehearing procedures will be permitted only to the extent consistent with the requirement for conducting the hearing at the scheduled time and place or, if no hearing is scheduled, the closing of the record at an early time so as to permit decision of the appeal within the target limit of 180 days. The Board, in its discretion, may impose shortened time periods for any actions required or permitted under these rules, necessary to enable the Board to decide the appeal within the target date, allowing whatever time, up to 30 days, that it considers necessary for the preparation of the decision after closing the record and the filing of briefs, if any.

(f) Decisions in appeals considered under the Accelerated procedure will be rendered by a single Administrative Judge with the concurrence of another assigned Administrative Judge or an additional member in the event of disagreement.

Rule 15 *Settling the Record.* (a) The record upon which the Board's decision will be rendered consists of the documents, papers and exhibits admitted in evidence, and the pleadings, prehearing conference memoranda or orders, prehearing briefs, admissions, stipulations, transcripts of conferences and hearings, and posthearing briefs. The record will, at all reasonable times, be available for inspection by the parties at the office of the Board. In cases submitted pursuant to Rule 10 the evidentiary records shall be comprised of those documents, papers and exhibits submitted by the parties and admitted by the Board.

(b) Except as the Board, in its discretion, may otherwise order, no proof shall be received in evidence after completion of the evidentiary hearing or, in cases submitted on the record, after notification by the Board that the case is ready for decision.

(c) The weight to be attached to any evidence of record will rest within the sound discretion of the Board. The Board may in any case require either party, with appropriate notice to the other party, to submit additional evidence on any matter relevant to the appeal.

Rule 16 *Discovery—General.* (a) General Policy and Protective Orders—The parties

are encouraged to engage in voluntary discovery procedures. In connection with any deposition or other discovery procedure, the Board may make any order required to protect a party or person from annoyance, embarrassment, or undue burden or expense. Those orders may include limitations on the scope, method, time and place for discovery, and provisions for protecting trade secrets or other confidential information or documents.

(b) Expenses—Each party bears its own expenses associated with discovery, unless in the discretion of the Board, the expenses are apportioned otherwise.

(c) Subpoenas—Where appropriate, a party may request the issuance of a subpoena under the provisions of Rule 18.

Rule 17 *Discovery—Depositions, Interrogatories, Admissions, Production and Inspection.*

(a) When Depositions Permitted—If the parties are unable to agree upon the taking of a deposition, the Board may, upon application of either party and for good cause shown, order the taking of testimony of any person by deposition upon oral examination or written interrogatories before any officer authorized to administer oaths at the place of examination.

(b) Orders on Depositions—The time, place, and manner of taking depositions shall be as mutually agreed by the parties, or failing such agreement, as governed by order of the Board.

(c) Depositions as Evidence—No testimony taken by depositions shall be considered as part of the evidence in the hearing of an appeal until such testimony is offered and received as evidence at such hearing. It will not ordinarily be received as evidence if the deponent is present and can testify at the hearing. In such instances, however, the deposition may be used to contradict or impeach the testimony of the deponent given at the hearing. In cases submitted on the record, the Board may, in its discretion, receive depositions to supplement the record.

(d) Interrogatories, etc.—After an appeal has been filed with the Board, a party may serve on the other party: (1) Written interrogatories to be addressed separately in writing, signed under oath and answered within 30 days unless objections are filed within 10 days of receipt; (2) a request for the admission of specified facts or the authenticity of any documents, to be answered or objected to within 30 days after service. The factual statements and the authenticity of the documents shall be deemed admitted upon failure of a party, to timely respond; and (3) a request for the production, inspection and copying of any documents or objects not privileged, which are relevant to the appeal.

(e) Any discovery engaged in under this Rule shall be subject to the provisions of Rule 16.

Rule 18 *Subpoenas*. (a) Voluntary Cooperation—Each party is expected to cooperate and make available witnesses and evidence under its control without issuance of a subpoena. Additionally, parties will secure voluntary attendance of desired third-party witnesses and production of desired third-party books, papers, documents, or tangible things whenever possible.

(b) Procedure

(1) Upon request of a party and after a showing of relevance a subpoena may be issued requiring the attendance of a witness for the purpose of taking testimony at a deposition or hearing and, if appropriate, the production by the witness, at the deposition or hearing, of documentary evidence, including inspection and copying, as designated in the subpoena.

(2) The request shall identify the name, title, and address of the person to whom the subpoena is addressed, the specific documentary evidence sought, the time and place proposed and a showing of relevancy to the appeal.

(3) Every subpoena shall state the name of the Board, the title of the appeal, and shall command each person to whom it is directed to attend and give testimony, and if appropriate, to produce specified documentary evidence at a time and place therein specified. The presiding Administrative Judge shall sign the subpoena and may, in his discretion, enter the name of the witness, or the documentary evidence sought, or may leave it blank. The party requesting the subpoena shall complete the subpoena before service.

(4) Where the witness is located in a foreign country, a letter rogatory or subpoena may be issued and served under the circumstances and in the manner provided in 28 U.S.C. 1781-1784.

(c) Requests to Quash or Modify—Upon motion made promptly but in any event not later than the time specified in the subpoena for compliance, the Board may: (i) Quash or modify the subpoena if it is unreasonable and oppressive or for other good cause shown; (ii) condition denial of the motion upon payment by the person in whose behalf the subpoena was issued of the reasonable cost of producing the subpoenaed documentary evidence; or (iii) apply protective provisions under Rule 16(a).

(d) Service—

(1) The party requesting the subpoena shall arrange for service.

(2) A subpoena may be served at any place by a United States Marshal or Deputy Marshal, or by any other person who is not a party and not less than 18 years of age. Service of a subpoena shall be made by personally delivering a copy to the person named therein and tendering the fees for one day's attendance and the mileage that would be allowed in the courts of the United States. When the subpoena is issued on behalf of the

United States or an officer or agency of the United States, money payments need not be tendered in advance of attendance.

(3) The party requesting a subpoena shall be responsible for the payment of fees and mileage of the witness and of the officer who serves the subpoena. The failure to make payment of such charges on demand may be deemed by the Board as a sufficient ground for striking the testimony of the witness and any documentary evidence the witness has produced.

(e) Contumacy or Refusal to Obey a Subpoena. In case of a contumacy or refusal to obey a subpoena by a person who resides, is found, or transacts business within the jurisdiction of a United States Court, the Board will apply to the Court through the Attorney General of the United States for an order requiring the person to appear before the Board or a member thereof to give testimony or produce evidence or both. Any failure of any such person to obey the order of the Court may be punished by the Court as a contempt thereof.

Rule 19 *Time and Service of Papers*. (a) All pleadings, briefs or other papers submitted to the Board shall be filed in triplicate and a copy shall be sent to other parties. Such communications shall be sent by delivering in person or by mailing, properly addressed with postage prepaid, to the opposing party or, where the party is represented by counsel, to its counsel. Pleadings, briefs or other papers filed with the Board shall be accompanied by a statement, signed by the originating party, saying when, how, and to whom a copy was sent.

(b) The Board may extend any time limitation for good cause and in accordance with legal precedent. All requests for time extensions shall be in writing except when raised during a recorded hearing.

(c) In computing any period of time, the day of the event from which the designated period of time begins to run shall not be included, but the last day of the period shall be included unless it is a Saturday, Sunday, or a legal holiday, in which event the period shall run to the end of the next business day. Unless otherwise stated in a Rule or Board Order, dates will be met and papers considered filed when deposited in the mail system of the U.S. Postal Service, or hand-delivery is acknowledged at the Board offices.

HEARINGS

Rule 20 *Hearings: Time and Place*. Hearings will be held at such places determined by the Board to best serve the interests of the parties and the Board. Hearings will be scheduled at the discretion of the Board with due consideration to the regular order of appeals, the requirements for expedited or accelerated procedures and other pertinent factors. On request by either party and for good

Department of Energy

§ 1023.120

cause, the Board may, in its discretion, change the time and place of a hearing.

Rule 21 *Hearings: Notice.* The parties shall be given at least 15 days notice of time and place set for hearings. In scheduling hearings, the Board will consider the desires of the parties and the requirement for just and inexpensive determination of appeals without unnecessary delay. Notices of hearing shall be promptly acknowledged by the parties. Failure to promptly acknowledge shall be deemed consent to the time and place.

Rule 22 *Hearings: Unexcused Absence of a Party.* The unexcused absence of a party at the time and place set for hearing will not be occasion for delay. In the event of such absence, the presiding Administrative Judge may order the hearing to proceed and the case will be regarded as submitted by the absent party as under Rule 10.

Rule 23 *Hearings: Rules of Evidence and Examination of Witnesses.* (a) Nature of Hearings—Hearings shall be as informal as may be reasonable and appropriate under the circumstances. Appellant and the respondent may offer such evidence as they deem appropriate and as would be admissible under the Federal Rules of Evidence or in the sound discretion of the presiding judge. The parties may stipulate the testimony that would be given by a witness if the witness were present. The Board may require evidence in addition to that offered by the parties.

(b) Examination of Witnesses—Witnesses before the Board will be examined orally under oath or affirmation, unless the presiding Administrative Judge shall otherwise order.

REPRESENTATION

Rule 24 *Appellant.* An individual appellant may appear before the Board in person, a corporation by one of its officers; and a partnership or joint venture by one of its members; or any of these by an attorney at law duly licensed in any state, commonwealth, territory, the District of Columbia, or in a foreign country. An attorney representing an appellant shall file a written notice of appearance with the Board.

Rule 25 *Respondent.* Counsel may, in accordance with their authority, represent the interest of the Government or other client before the Board. They shall file notices of appearance with the Board, and serve notice on appellant or appellant's attorney.

BOARD DECISION

Rule 26 *Decisions.* Except as allowed under Rule 13, decisions of the Board shall be in writing upon the record as described in Rule 15 and will be forwarded simultaneously to both parties. The rules of the Board and all final orders and decisions shall be available for public inspection at the offices of the Board.

Rule 27 *Motion for Reconsideration.* (a) Motion for reconsideration shall set forth specifically the grounds relied upon to sustain the motion and shall be filed within 30 days after receipt of a copy of the Board's decision.

(b) Motions for reconsideration of cases decided under either the Small Claims (Expedited) procedure or the Accelerated procedure need not be decided within the original 120-day or 180-day limit, but shall be processed and decided rapidly.

Rule 28 *Remand from Court.* Whenever any court remands a case to the Board for further proceedings, each of the parties shall, within 20 days of such remand, submit a report to the Board recommending procedures to be followed so as to comply with the court's order. The Board shall consider the reports and enter special orders.

DISMISSALS

Rule 29 *Dismissal Without Prejudice.* In certain cases, appeals docketed before the Board are required to be placed in a suspense status and the Board is unable to proceed with disposition thereof for reasons not within the control of the Board. Where the suspension has continued, or may continue, for an inordinate length of time, the Board may, in its discretion, dismiss such appeals from its docket without prejudice to their restoration when the cause of suspension has been removed. Unless either party or the Board acts within three years to reinstate any appeal dismissed without prejudice, the dismissal shall be deemed with prejudice.

Rule 30 *Dismissal for Failure to Prosecute.* Whenever a record discloses the failure of any party to file documents required by these rules, respond to notices or correspondence from the Board or otherwise indicates an intention not to continue the prosecution or defense of an appeal, the Board may issue an order requiring the offending party to show cause why the appeal should not be dismissed or granted, as appropriate. If no cause, the Board may take such action as it deems reasonable and proper.

SANCTIONS

Rule 31 *Failure to Obey Board Order.* If any party fails or refuses to obey an order issued by the Board, the Board may issue such orders as it considers necessary to the just and expeditious conduct of the appeal, including dismissal with prejudice.

Subpart B [Reserved]

§ 1023.300

Subpart C—Procedures Relating to Awards Under the Equal Access to Justice Act

AUTHORITY: Sec. 644, Title VI, Pub. L. 95-91, 91 Stat. 599; 5 U.S.C. 504.

SOURCE: 57 FR 53542, Nov. 12, 1992, unless otherwise noted.

GENERAL PROVISIONS

§ 1023.300 Definitions.

For purposes of these procedures:

Agency Counsel means the attorney representing the Department or other agency in a proceeding under this subpart.

Board means the Department of Energy Board of Contract Appeals.

Covered Proceeding means an underlying proceeding as specified by paragraph (a) of § 1023.303.

Days means calendar days.

§ 1023.301 Purpose of these rules.

The Equal Access to Justice Act, 5 U.S.C. 504 (called “the Act” in this subpart), provides for the award of attorney fees and other expenses to eligible individuals and entities who are parties to covered proceedings. An eligible party may receive an award when it prevails over an agency, unless the agency’s position was substantially justified or special circumstances make an award unjust. These procedures describe the parties eligible for awards and covered Board proceedings. They also explain how to apply for awards and the procedures and standards that the Board will use to make them.

§ 1023.302 When the Act applies.

The Act applies to any covered proceeding pending or commenced before the Board on or after August 5, 1985. It also applies to any such proceeding commenced before the Board on or after October 1, 1984, and finally disposed of before August 5, 1985, provided that an application for fees and expenses, as described in § 1023.310 of this subpart, has been filed with the Board within 30 days after August 5, 1985, and to any such proceeding pending on or commenced on or after October 1, 1981, in which an application for fees and

10 CFR Ch. X (1–1–01 Edition)

other expenses was timely filed and was dismissed for lack of jurisdiction.

§ 1023.303 Proceedings covered.

(a) The Act applies to appeals from decisions of contracting officers made pursuant to section 6 of the Contract Disputes Act of 1978 (41 U.S.C. 605) to the Board as provided in section 8 of that Act (41 U.S.C. 607).

(b) If a proceeding includes both matters covered by the Act and matters specifically excluded from coverage, any award made will include only fees and expenses related to covered issues.

§ 1023.304 Eligibility of applicants.

(a) To be eligible for an award of attorney fees and other expenses under the Act, the applicant must be a party to the covered proceeding for which it seeks an award. The term “party” is defined in 5 U.S.C. 551(3). The applicant must show that it meets all conditions of eligibility set out in this subpart.

(b) The types of eligible applicants are as follows:

(1) An individual with a net worth of not more than \$2 million;

(2) The sole owner of an unincorporated business who has a net worth of not more than \$7 million, including both personal and business interests, and not more than 500 employees;

(3) A charitable or other tax-exempt organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) with not more than 500 employees;

(4) A cooperative association as defined in 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a)) with not more than 500 employees; and

(5) Any other partnership, corporation, association, unit of local government, or organization with a net worth of not more than \$7 million and not more than 500 employees.

(c) For the purpose of eligibility, the net worth and number of employees of an applicant shall be determined as of the date the applicant filed its appeal under 41 U.S.C. 606.

(d) An applicant who owns an unincorporated business will be considered as an “individual” rather than a “sole owner of an unincorporated business” if the issues on which the applicant

Department of Energy

§ 1023.306

prevails are related primarily to personal interests rather than to business interests.

(e) The employees of an applicant include all persons who regularly perform services for remuneration for the applicant, under the applicant's direction and control. Part-time employees shall be included on a proportional basis.

(f) The net worth and number of employees of the applicant and all of its affiliates shall be aggregated to determine eligibility. Any individual, corporation or other entity that directly or indirectly controls or owns a majority of the voting shares or other interests of the applicant, or any corporation or other entity of which the applicant directly or indirectly owns or controls a majority of the voting shares or other interest, will be considered an affiliate for purposes of this part, unless the Board determines that such treatment would be unjust and contrary to the purposes of the Act in light of the actual relationship between the affiliated entities. In addition, the Board may determine that financial relationships of the applicant, other than those described in this paragraph, constitute special circumstances that would make an award unjust.

(g) An applicant that participates in a proceeding primarily on behalf of one or more other persons or entities that would be ineligible is not itself eligible for an award.

§ 1023.305 Standards for awards.

(a) A prevailing applicant may receive an award for fees and expenses incurred in connection with a proceeding or in a significant and discrete substantive portion of the proceeding, unless the position of the agency over which the applicant has prevailed was substantially justified. The position of the agency includes, in addition to the position taken by the agency in the covered proceeding, the action or failure to act by the agency upon which the covered proceeding is based. The burden of proof that an award should not be made to an eligible prevailing applicant because the agency's position was substantially justified is on the agency counsel.

(b) An award will be reduced or denied if the applicant has unduly or unreasonably protracted the proceeding or if special circumstances make the award sought unjust.

§ 1023.306 Allowable fees and expenses.

(a) Awards will be based on rates customarily charged by persons engaged in the business of acting as attorneys or expert witnesses even if the services were made available without charge or at a reduced rate to the applicant.

(b) No award for the fee of an attorney under these rules may exceed \$75 per hour. No award to compensate an expert witness may exceed the highest rate at which the respondent agency or agencies pay expert witnesses. However, an award may also include the reasonable expenses of the attorney or witness as a separate item, if the attorney or witness ordinarily charges clients separately for such expenses.

(c) In determining the reasonableness of the fee sought for an attorney or expert witness, the Board shall consider the following:

(1) If the attorney or witness is in private practice, his or her customary fees for similar services, or, if an employee of the applicant, the fully allocated costs of the services;

(2) The prevailing rate for similar services in the community in which the attorney or witness ordinarily performs services;

(3) The time actually spent in the representation of the applicant;

(4) The time reasonably spent in light of the difficulty or complexity of the issues in the proceeding; and

(5) Such other factors as may bear on the value of the services provided.

(d) The reasonable cost of any study, analysis, engineering report, test, project or similar matter prepared on behalf of a party may be awarded, to the extent that the charge for the services does not exceed the prevailing rate for similar services, and the study or other matter was necessary for preparation of applicant's case.

§ 1023.307

10 CFR Ch. X (1–1–01 Edition)

§ 1023.307 [Reserved]

§ 1023.308 Awards against other agencies.

If an applicant is entitled to an award because it prevails over another agency of the United States Government that participates in a proceeding before the Board and takes a position that is not substantially justified, the award or an appropriate portion of the award shall be made against that agency.

INFORMATION REQUIRED FROM APPLICANTS

§ 1023.310 Contents of application—overview.

(a) An application for an award of fees and expenses under the Act shall identify the applicant and the proceeding for which an award is sought. The application shall show that the applicant has prevailed and identify the position of the agency or agencies that the applicant alleges was not substantially justified. Unless the applicant is an individual, the application shall also state the number of employees of the applicant and describe briefly the type and purpose of its organization or business.

(b) The application shall also include a statement that the applicant's net worth does not exceed \$2 million (if an individual) or \$7 million (for all other applicants, including their affiliates). The applicant shall attach a net worth exhibit that satisfies the requirements of section 1023.311. However, an applicant may omit this statement and forego the attachment of the net worth exhibit if:

(1) It attaches a copy of a ruling by the Internal Revenue Service that it qualifies as an organization described in 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) or, in the case of a tax-exempt organization not required to obtain a ruling from the Internal Revenue Service on its exempt status, a statement that describes the basis for the applicant's belief that it qualifies under such section; or

(2) It states that it is a cooperative association as defined in 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a)).

(c) The application shall state the amount of fees and expenses for which an award is sought. The applicant must document fees and expenses as required in § 1023.312.

(d) The application may also include any other matters that the applicant wishes the Board to consider in determining whether, and in what amount, an award should be made.

(e) The application shall be signed by the applicant or an authorized officer or attorney of the applicant. It shall also contain or be accompanied by a written verification under oath or under penalty of perjury that the information provided in the application is true and correct.

§ 1023.311 Net worth exhibit.

(a) Each applicant, except a qualified tax-exempt organization or cooperative association, must provide with its application a detailed exhibit showing the net worth of the applicant and any affiliates (as defined in § 1023.304(f) of this subpart) when the proceeding was initiated. The exhibit may be in any form convenient to the applicant that provides full disclosure of the applicant's and its affiliates' assets and liabilities and is sufficient to determine whether the applicant qualifies under the standards in this part. The presiding administrative judge may require an applicant to file additional information to determine its eligibility for an award.

(b) Ordinarily, the net worth exhibit will be included in the public record of the proceeding. However, an applicant that objects to public disclosure of information in any portion of the exhibit may submit that portion directly to the presiding administrative judge in a sealed envelope labeled "Confidential Financial Information," accompanied by a motion for a protective order setting forth the ground therefor. A protective order may be granted for good cause shown.

§ 1023.312 Documentation of fees and expenses.

The application shall be accompanied by full documentation of the fees and expenses, including the cost of any study, analysis, engineering report, test, project or similar matter, for

Department of Energy

§ 1023.322

which an award is sought. A separate, itemized statement shall be submitted for each professional firm or individual whose services are covered by the application. The statement should show the hours spent in connection with the Contract Disputes Act appeal by each individual, a description of the specific services performed, the rates at which each fee has been computed, any expenses for which reimbursement is sought, the total amount claimed, and the total amount paid or payable by the applicant or by any other person or entity for the services provided. The presiding administrative judge may require the applicant to provide vouchers, receipts, logs, or other substantiation for any fees or expenses claimed pursuant to §1023.306 of this subpart.

§ 1023.313 When an application may be filed.

(a) An application may be filed whenever the applicant has prevailed in the proceeding, or, with permission of the Board for good cause shown, when the applicant has prevailed in a significant and discrete substantive portion of the proceeding, but in no case later than 30 days after the Board's final disposition of the proceeding.

(b) For purposes of paragraph (a) of this section, final disposition means the date on which a decision or order disposing of the merits of the proceeding or any other complete resolution of the proceeding, such as a settlement or voluntary dismissal, becomes final and unappealable.

(c) If reconsideration of a decision is sought as to which an applicant believes it has prevailed, proceedings for the award of fees shall be stayed pending final disposition of the underlying controversy. When the United States appeals the underlying merits of a covered proceeding to a court, no decision on an application for fees and other expenses in connection with that proceeding shall be made until a final and unreviewable decision is rendered by the court on that appeal or until the underlying merits of the case have been finally determined pursuant to the appeal.

PROCEDURES FOR CONSIDERING APPLICATIONS

§ 1023.320 Filing and service of documents.

Any application for an award, or other pleading or document relating to an application, shall be filed and served on all parties to the proceeding in the same manner as other pleadings in the underlying proceeding, except as provided in §1023.311(b) for confidential financial information.

§ 1023.321 Answer to application.

(a) Within 30 days after service of an application, counsel representing the agency against which an award is sought may file an answer to the application. Unless agency counsel requests an extension of time for filing or files a statement of intent to negotiate under paragraph (b) of this section, failure to file an answer within the 30-day period may be treated as a consent to the award requested.

(b) If agency counsel and the applicant believe that the issues in the fee application can be settled, they may jointly file a statement of their intent to negotiate a settlement. The filing of this statement shall extend the time for filing an answer for an additional 30 days. Further extensions may be granted by the presiding administrative judge upon request by agency counsel and the applicant.

(c) The answer shall explain in detail any objections to the award requested and identify the facts relied on in support of agency counsel's position. If the answer is based on any alleged facts not already in the record of the proceeding, agency counsel shall include with the answer either supporting affidavits or a request for further proceedings under §1023.325.

§ 1023.322 Reply.

§ 1023.323 Comments by other parties.

Any party to a proceeding other than the applicant and agency counsel may file comments on an application within 30 days after it is served or on an answer within 15 days after it is served. A commenting party may not participate further in proceedings on the application unless the Board determines that the public interest requires such participation in order to permit full exploration of matters raised in the comments.

§ 1023.324 Settlement.

The applicant and agency counsel may agree on a proposed settlement of the award before final action on the application, either in connection with a settlement of the underlying proceeding or after the underlying proceeding has been concluded, in accordance with the agency's standard settlement procedure. If a prevailing party and agency counsel agree on a proposed settlement of an award before an application has been filed, the application shall be filed with the proposed settlement.

§ 1023.325 Further proceedings.

(a) Ordinarily, the determination of an award will be made on the basis of the written record. However, on request of either the applicant or agency counsel, or, on his or her own initiative, the presiding administrative judge may order further proceedings, such as an informal conference, oral argument, additional written submissions or, as to issues other than substantial justification (such as the applicant's eligibility or substantiation of fees and expenses), pertinent discovery or an evidentiary hearing. Such further proceedings shall be held only when necessary for full and fair resolution of the issues arising from the application, and shall be conducted as promptly as possible. Whether or not the position of the agency was substantially justified shall be determined on the basis of the administrative record as a whole, including the contracting officer Appeal File and supplements filed pursuant to Rule 4 of the Board's Rules of Practice, 10 CFR part 1023, which is made in the covered pro-

ceeding for which fees and other expenses are sought.

(b) A request that the presiding administrative judge order further proceedings under this section shall specifically identify the information sought or the disputed issues and shall explain why the additional proceedings are necessary to resolve the issues.

§ 1023.326 Board decision.

The Board shall issue its decision on the application as expeditiously as is practicable after completion of proceedings on the application. Whenever possible, the decision shall be made by the same administrative judge or panel that decided the contract appeal for which fees are sought. The decision shall include written findings and conclusions on the applicant's eligibility and status as a prevailing party, and an explanation of the reasons for any difference between the amount requested and the amount awarded. The decision shall also include, if at issue, findings on whether the agency's position was substantially justified, whether the applicant unduly protracted the proceedings, or whether special circumstances make the award unjust. If the applicant has sought an award against more than one agency, the decision shall allocate responsibility for payment of any award made among the agencies, and shall explain the reasons for the allocation made.

§ 1023.327 Reconsideration.

Either party may seek reconsideration of the decision on the fee application in accordance with 10 CFR 1023.120, Rule 27.

PART 1024—PROCEDURES FOR FINANCIAL ASSISTANCE APPEALS

Sec.

1024.1 Scope and purpose.

1024.2 Authority.

1024.3 General.

1024.4 Rules of procedure.

AUTHORITY: Dept. of Energy Organization Act, Pub. L. 95-91, 91 Stat. 577 (42 U.S.C. 7101, et seq.); E.O. 10789; Pub. L. 95-224, 92 Stat. 3 (41 U.S.C. 501-509).

SOURCE: 45 FR 29764, May 5, 1980, unless otherwise noted.

§ 1024.1 Scope and purpose.

These procedures establish a process permitting recipients of financial assistance to appeal adverse final decisions made by financial assistance officers or contracting officers. The objective is to provide a timely, just, and inexpensive resolution of disputes involving grants, cooperative agreements, loan guarantees, loan agreements, or other financial assistance instruments.

§ 1024.2 Authority.

The authority of the Board derives from direct delegation of the Secretary to hear and decide finally for the Department appeals from any decision brought before it on disputes arising under financial assistance agreements.

§ 1024.3 General.

(a) A recipient or party to a grant, cooperative agreement, loan guarantee or agreement, or other such financial assistance may have a right to appeal disputes with the Department. Such a right may be set forth in statutes, in Departmental regulations dealing with the type of financial assistance involved, or in the agreement itself.

(b) Appeals are decided by the Financial Assistance Appeals Board in Accordance with the procedures set forth in these regulations. Decisions will be by majority vote and will be the final disposition of the matter within the Department.

(1) The Board is located in the Washington, DC metropolitan area and its address is: Webb Building, room 1006, 4040 North Fairfax Drive, Arlington, Virginia 22203.

(2) The Administrative Judge assigned to hear and develop the record on an appeal has authority to act for the Board with respect to such appeal within the limits assigned and as set forth in these rules.

(c) In order that a right to appeal may be exercised in a timely manner, a financial assistance recipient must appeal, in writing, within 60 days after receipt of a "final decision" on the matter by a financial assistance or contracting officer.

(d) The appeal may take one of the following three alternative courses, depending on the amount of the claim and degree of formality desired or needed:

(1) The first method is to proceed on the basis of a written record, without any oral presentations. It is the quickest and simplest process available to an appellant. All appeals involving less than \$10,000 will be decided on this basis, unless, on application made by the appellant, or the respondent, the Board rules otherwise. This method is also available for appeals where the amount in dispute is more than \$10,000 if an election is made in accordance with Rule 2. (See § 1024.4)

(2) A second method is to use a conference-type hearing in which the written record is supplemented with an informal oral presentation. It is the second fastest process available to an appellant and is conducted in a relatively informal manner which may require little, if any, testimony, and may even be conducted by a telephone conference call where deemed appropriate.

(3) The third method, and the most time consuming is the use of an adversary evidentiary hearing. Because of the procedural and logistical aspects involved, this method is more expensive and time consuming than the other two methods for both the appellant and respondent. Generally, this method is used only if there are complex facts in dispute.

(e) All three methods are designed to be as informal as possible; nevertheless, it should be recognized that the
